TERM 2 | THE WAY
NEWSLETTER | FRIDAY 29
MAY 2026

STUDENT EARLY PICK-UP

We understand that there may occasionally be unavoidable circumstances where your child's normal dismissal arrangements need to change during the day. As a reminder, all changes to dismissal arrangements should be emailed to admin@thac.nsw.edu.au or phoned through to the College on the day by 1:45pm to ensure your child receives the message prior to dismissal.

If it is necessary to collect your child early, please inform the College office in advance so notes can be delivered to your child, particularly if students are leaving during break times.

[Bell Times](#)

Depending on class activities and the volume of notes being distributed at the time, it may take up to 30 minutes for notes to reach students. Providing advance notice helps ensure your child is organised and ready with their belongings to leave promptly.

Thank you for your cooperation and support in helping minimise disruptions to student learning.
