7 - 9 CASA Volleyball

The CASA 7 - 9 Volleyball Gala Day was a fantastic success, with both our boys' and girls' teams putting in outstanding performances. The boys' team dominated the competition by not dropping a single set all day and taking out the grand final in 2 sets! Their skill and determination were exceptional throughout the tournament.

Our girls' team also performed brilliantly, securing 3rd place after a series of hard-fought matches. They showed great resilience and sportsmanship across the day. Congratulations to all players for representing the College so proudly and for their excellent efforts on and off the court.
