

MINI OLYMPICS

On Tuesday 9 June 2026, as part of their PASS (Physical Activity and Sports Studies) assessment, the Year 10 students took the lead in organising and running a Mini Olympics session for our Year 2 students.

Designed to celebrate participation, teamwork, sportsmanship and pure enjoyment, the event featured a variety of lively activities including soccer games, relay races, throwing challenges and classic Mini Olympic-style events.

Our Year 2 students had an incredible time. Here's what some of them shared about the day:
