THE WAY

TERM 2 | THE WAY NEWSLETTER | FRIDAY 12 JUNE 2026

WORLD SCHOLARS CUP

Fourteen enthusiastic students from Years 7–10 proudly represented our College at the World Scholar's Cup Regional Round in Sydney, held on Friday 29 and Saturday 30 May. Over two exciting days, students immersed themselves in this global celebration of learning, joining 120 peers from across Sydney to explore the 2026 theme, Are We There Yet? The event challenged them to think critically, collaborate creatively and step confidently into academic experiences beyond the classroom.

Across the two days, our scholars competed in the program's signature events - Team Debate, Collaborative Writing, the fast-paced Scholar's Challenge and the high-energy Scholar's Bowl earning an impressive collection of gold and silver medals. Many of our students also achieved results that now qualify them to represent the College at the Global Round in Christchurch later this year. I extend a sincere thanks to Mr Deer and Dr Long for their support and assistance across the two days. We are incredibly proud of our students' teamwork, curiosity and courage in representing our College at the World Scholar's Cup.

Mr Matthew Miller
HSIE Teacher, Coaching Leader, G&T Coordinator
