MISA DEBATING COMPETITION

Over the past two terms, we have had two competitive teams represent our College as part of the MISA Debating Competition. Fielding a new Year 9 team and a Year 10 squad hungry for another round after a semi-final finish last year, it has been a great experience cheering on our students. Throughout the tournament, they have been learning to overcome challenges around public speaking and establishing arguments under pressure. They all did a fantastic job and have grown immensely throughout the experience.

Both teams made it out of the round-robin stage and into the bracket, with our Year 9 team falling first at the Quarter-final round and our Year 10s finishing again right on the cusp of the Grand Final. They all should be very proud of what they have accomplished.

The Year 7 Debating Workshop took place earlier this month, with MISA trials for Years 7 and 8 happening this coming Tuesday. We’re all excited to see what they can achieve together.
