YEAR 4'S FIRST CAMP ADVENTURE

Our Year 4 students recently enjoyed an exciting overnight camp at Wedderburn Christian Campsite, filled with fun and memorable experiences. Throughout the camp, students participated in a variety of activities designed to encourage teamwork and courage.

One of the highlights was the Initiative Games, where students worked together to cross from one end of the grassy area to the other using tiles, without stepping on the "lava" - the grass itself! This activity required collaboration and problem-solving skills.

The Rock Climbing session saw many students facing their fear of heights while trusting their classmates who controlled the safety ropes. It was inspiring to watch their confidence grow with every climb.

During Bush Crafts, students explored the natural bushland around the campsite, collecting materials to create amazing artworks. Some crafted dinosaur heads, built huts and designed imaginative signs, showcasing their creativity.

The Low Ropes course challenged students to navigate a series of obstacles close to the ground. Despite the difficulties, everyone persisted and supported each other to complete the course.

In a unique activity called Bush Creations, small groups ventured into the bush to assemble scenes from natural materials. They then presented their creations through short dramas, blending creativity with teamwork.

As evening fell, the group gathered around the bonfire to roast marshmallows, followed by a peaceful bushwalk under the stars. It was wonderful to see so many students step out of their comfort zones, embrace new experiences and create lasting memories together.

The camp was a fantastic opportunity for our Year 4 students to grow and learn while having fun in the great outdoors!
