CASA Netball Gala Day

Our students recently took to the courts for the CASA Netball Gala Day, and while the scoreboard didn't always go our way, the day was a resounding success in every other measure!

It was a day defined by incredible sportsmanship, College pride, and personal growth. Our teams faced some stiff competition, but they met every challenge with a smile and a "never-give-up" attitude. Whether it was a perfectly timed intercept or a brilliantly executed play down the court, there were moments of brilliance from every player.

What was most impressive was the way our students supported one another. The cheering from the sidelines was constant, and the camaraderie between the different age groups was wonderful to see. Our players represented the College with absolute integrity, earning praise for their fair play and positive conduct on and off the court.

Gala days are about much more than just the final result; they are about building teamwork, improving skills, and enjoying the thrill of competition. Our students returned to school with tired legs but high spirits, having gained valuable experience that will serve them well in future seasons.

CASA Football Gala Day

Our students displayed incredible skill, sportsmanship, and determination at the recent CASA Football Gala Day. It was a fantastic day of competition, and we are thrilled to share the outstanding results of our boys' teams.

Senior Boys: Tournament Champions! A massive congratulations to our Senior Boys team, who were crowned the overall winners of the tournament. The team remained composed under pressure, showing exceptional tactical awareness and teamwork throughout the day. They went through their round games undefeated and had a nail-biting grand final game where they were victorious in extra time winning 2-1.

Junior Boys: A Fantastic Third Place Our Junior Boys also had a stellar performance, finishing the day in a very respectable third place, narrowly missing out on progressing to the finals. The energy and enthusiasm they brought to every match were infectious, and they demonstrated great resilience against some very tough opponents.

We are incredibly proud of how all our players represented the school. Their conduct on and off the field was exemplary, embodying the true spirit of College sport.
