WANDERERS SCHOOLS CUP

Wanderers Cup Junior School Gala Day

The Wanderers Cup Junior School gala day was a fantastic experience for all students involved. Both our Year 3/4 and Year 5/6 teams finished first in their pools, playing some excellent soccer and demonstrating great teamwork and support for one another throughout the day.

For several of the Year 3 boys, this was their first opportunity to play at Wanderers. They quickly adapted to the unique playing environment and enjoyed learning how to use the walls for rebounds and passing, adding a new dimension to the game and helping build their confidence.

Congratulations to all students who participated and represented the school so positively. Their enthusiasm and teamwork made it a highly successful day of football.

Wanderers Cup Senior School Finals Day

The Wanderers Cup Senior School finals day proved to be a highly competitive event, with all teams involved in closely contested matches throughout the day.

The 7/8 boys team had a strong tournament, winning their quarter-final before narrowly falling short in a hard-fought semi-final. The 9/10 boys team and 7/8 girls team also competed well, with both teams missing out in very close games against strong opposition. Despite the results, all students showed great determination and sportsmanship, representing the school with pride.

Well done to all players on their efforts in a challenging and exciting day of football.
