JUNIOR SCHOOL LIBRARY UPDATE

Can you match the teacher to their favourite genre?

To celebrate Book Week this year, the Library is launching an exciting new competition for students in Years 2 to 6! Students need to put their detective skills to the test and match each teacher to their favourite genre. Entry forms can be collected from the Library. The form will include the names of all the participating teachers, along with a list of the different genres found in our Library.

Students will have three weeks to complete their entry and return it to the Library. At the end of the competition, the boy and girl from each year group with the most correct teacher-genre matches will each win a brand-new book of their choice.

So, start thinking, start guessing and don't be afraid to ask questions. You never know, a teacher might just give you the clue you need!
