

THE WAY

TERM 3 | THE WAY
NEWSLETTER | FRIDAY 4
SEPTEMBER 2026

FROM THE HEAD OF SENIOR SCHOOL

Last Thursday, our HSC Art, Drama, Music, Timber, Extension English, History and Society & Culture students showcased their major works at Illuminate. It was a fantastic evening enjoyed by so many of our families, alumni, staff, and current students. These works represent the culmination of years of dedication and skill development—all made possible by the steady support of our wonderful teachers and parents. Congratulations to everyone involved!

On Tuesday night, I had the pleasure of attending the Music Ensemble Night, brilliantly led by Mr Lachlan Kennedy and his fabulous music team. It was inspiring to see the beginnings of the very talents that may well be featured at a future Illuminate evening. The spirit of community, encouragement and support in the room was wonderful to witness.

The rest of the term remains vibrant and busy with upcoming HSC practical performances, Preliminary Exams, marking, excursions and our fond farewells to Year 12.

Finally, with spring in the air, thoughts naturally turn to the summer uniform. After a winter of growth, many students may need a size update or a quick refresh on worn shirts and pants. Please take a moment to check the fit and suitability of your child's uniform as we prepare to transition into the warmer months.

Mr Jason Corbett-Jones
Head of Senior School
