THE WAY

TERM 3 | THE WAY NEWSLETTER | THURSDAY 24 SEPTEMBER 2026

FROM THE HEAD OF SENIOR SCHOOL

The end of Term 3 marks a major season of transition for our senior students. For Year 12, graduation and the HSC examinations stand as the final milestones of their secondary schooling. For Year 11, Preliminary exams are the final step before they enter Year 12 in Term 4 to begin their 12-month HSC journey.

Success in these final years is the cumulative result of years of dedicated support. Countless teachers from Kindergarten to Year 12 have guided our students, teaching them how to read, organise, write, create and explore the world of learning.

Parents play an irreplaceable role. From reading to a child in infancy and sharing music, to answering endless "why" questions and offering unconditional love, parents provide the strongest possible foundation.

Behind them stands a rich network of support: relatives, grandparents, family friends, coaches, tutors, church and camp leaders, healthcare workers, counsellors, chaplains and pastors.

Most importantly for those of Christian faith, we recognise the ongoing work of the Holy Spirit in transforming our hearts and minds, shaping us as God’s sons and daughters. God has had the most profound impact of all and our ultimate gratitude belongs to Him.

In this season, may our students and each of us take the time to express our sincere gratitude to everyone who has played a part in this journey. Thank you to all who have supported, guided, and shaped our graduates. Above all, thanks be to God.
