CAPA NEWS AND ACHIEVEMENTS

The Creative and Performing Arts (CAPA) Faculty continues to provide exciting opportunities for students to explore and develop their creative talents. Recently, more than 40 students attended a performance of The Lion King at Sydney's Capitol Theatre. The excursion gave students the opportunity to experience a world-class professional production, gaining valuable insights into acting, live music, staging, lighting and dance. It was an inspiring and thoroughly enjoyable evening for all involved.

We are also delighted to celebrate the outstanding achievements of our Year 12 students. Congratulations to Henry L and Winona B, who received Encore nominations for their HSC Music performances. These nominations recognise exceptional examination results and place the students among the highest performing music candidates in the state. They will now re-record their performances for consideration in the prestigious Encore showcase at the Sydney Opera House next year. I would also like to extend a special thank you to the staff and student accompanists who have supported our HSC Music students throughout their journeys.

Our Drama students have also achieved remarkable success, with Winona B and Samantha G receiving individual OnSTAGE nominations for their HSC Drama performances. In addition, Winona B, Samantha G and Isabella M received a nomination for their group performance. Congratulations to these students on their outstanding accomplishments, and thank you to Miss Chavura for her dedication, guidance and mentorship.

Looking ahead, we are excited to present our annual Junior Ensembles Evening on Tuesday 3

November, where our junior ensembles will showcase the repertoire they have been developing throughout the year. Families are encouraged to save the date and join us in celebrating the progress and achievements of our young musicians.

Two weeks later, on Tuesday 17 November, students involved in private and shared music tuition will take to the stage for our annual Young Performers Evening. This special event provides an opportunity for students to share their musical growth and achievements, while also allowing families to connect with our talented team of music tutors.

Planning is also well underway for the Japan Cherry Blossom Music Tour 2027. Repertoire selections will soon be finalised, enabling students to begin preparing over the summer holidays before formal rehearsals commence early next year.

Thank you to our parents and families for your ongoing support of the Creative and Performing Arts. We are proud to see our students continue to grow in confidence and creativity through the many opportunities available within CAPA.
