THE WAY

TERM 4 | THE WAY NEWSLETTER | FRIDAY 23 OCTOBER 2026

HEARING CHECKS AT THE COLLEGE

Hearing plays an important role in children's learning, communication and classroom participation. Hearing supports children to:

- - Learn and follow directions
- - Develop clear speech
- - Participate in classroom discussions
- - Build speaking and communication skills
- - Engage confidently in their learning

The College is offering hearing screenings providing families with an opportunity to have their child's hearing checked by a Paediatric Audiologist.

Thursday 26 November 2026
8.30am to 2.00pm

A hearing check may be particularly useful for children who:

- - Have difficulty with reading, phonics or learning
- - Appear frequently unfocused or inattentive
- - Have a history of ear infections or wax
- - Were born overseas and did not have a newborn hearing screen
- - Are preparing to start Kindergarten or Year 7
- - Are preparing to finish high school

Some signs of hearing difficulty can overlap with learning or behavioural concerns, so a hearing check can help identify whether hearing may be contributing.

Key Details:

- **Cost:** $50 per child, payable by parents
- **Duration:** Approximately 10 minutes
- **What's involved:** A simple, child-friendly listening activity using headphones, conducted by a Paediatric Audiologist
- **Outcome:** Families will receive a written report outlining their child's hearing results

BOOK NOW

If you experience any difficulties with booking, please contact Kids Hearing directly on **0403 765 046**. Further details are available on the flyer and Kids Hearing website.
