ACADEMY OF DANCE CONCERT 2026

Last Monday, the Dance Academy presented an exceptional evening of entertainment with our 2026 concert, Discover. The showcase highlighted the creativity, technical skill, and dedication of our students and teachers, featuring performers from Kindergarten through to Year 11.

Audiences were taken on a journey around the world through a variety of dance styles, including Jazz, Hip Hop, Ballet, and Cheer. From Europe to the USA and finally back Down Under, each performance captured the spirit of discovery and adventure while demonstrating the outstanding talent within our Dance Academy.

Our students should be incredibly proud of their hard work, commitment, and enthusiasm, both on stage and throughout the rehearsal process. Their performances were a testament to the passion and teamwork that make our Dance Academy such a special community.

We congratulate all students and staff involved in making Discover such a memorable success and look forward to reliving the magic when the concert video is released.
