THE WAY

TERM 4 | THE WAY NEWSLETTER | FRIDAY 20 NOVEMBER 2026

ORIENTATION DAYS

Preparing for the Year Ahead

Throughout November, the College welcomed students and their families to a series of Orientation Days, providing an opportunity to become familiar with new learning environments, meet teachers and connect with future classmates. Each day offered students a taste of what to expect as they prepare for the next stage of their learning journey.

Prep Orientation

Our incoming Prep students enjoyed an opportunity to explore their classrooms and become familiar with their new learning environment. While parents attended an information session, students participated in a range of activities, including playdough, colouring, dolls, building blocks and LEGO. It was a lovely introduction to the College and a chance for students to begin feeling comfortable in their new surroundings.

Kindergarten Orientation

Our incoming Kindergarten students spent time getting to know their classrooms and exploring some of the activities they will enjoy next year. Students coloured, created their own Rainbow Fish and explored the outdoor area, while parents attended an information session. The sessions provided a valuable opportunity for children to become familiar with their new environment and begin building connections with their future classmates.

Year 7 Orientation

Our incoming Year 7 students took part in a range of activities designed to introduce them to Senior School life. Following a parent information session in the morning, students participated in activities and campus tours led by Year 10 students. Along the way, they collected stamps as they visited different learning spaces and facilities around the College. The day also included a sausage sizzle lunch, providing plenty of opportunities for students to meet one another, build friendships and strengthen peer connections ahead of starting Year 7.
