How do I engage with the Growth Challenge?

02.09.21

Dear Grandma and pop.

I hope you have been doing well in this lockdown, getting exercise or staying busy. Its been nice to talk on the phone sometimes with you, because I've liked being able to catch up and talk. I did think maybe a letter would be nice though, as something different.

School is going well, though I do have a lot of assessments. One for english, pe, art, wood tech, music and I already did my maths one. I was supposed to have a science and history one but they had to cancel them, I think because we already have SO MUCH work. I got 27/29 for maths, or 93%. I'm really happy with it, and I'm really glad I studied before hand, it paid off.

I've also been getting exercise by playing basketball with the boys and going on lots of walks with the cown. I've also been baking lots of cakes and cookies and brownies and muffins. They were all very yummy.

I have also been getting my bass ~~less~~ lessons online, by zooming with my tutor. I really enjoy playing, and for my music assessment I will be playing 2 songs on bass. They are 'sitting on the dock of the bay' and 'amazing grace'. I'm really excited. I also have to compose some suspense music, but I haven't started that yet because we're going to work on it in class.

Well I hope you are doing well, and maybe you could even write back to me.

Love from
Callie ☺❤
