STUDENT AND PARENT INFORMATION

JUNIOR SCHOOL FOOTBALL PROGRAM 2020

The Advanced Pathway Program is a selective and focused program that enables students to represent the College at a higher level. We anticipate that this in turn will have a positive impact on our wider representative commitments in IPSSO, MISA and NASSA. The objective of all our programs (the Football Development Programs and the Advanced Pathway Program) is to do the following:

OBJECTIVES

- To provide a recognised football training program with accredited coaches that embraces the National Football Curriculum developed by Soccer Federation Australia.
- To model and encourage values based upon excellence in sport
 - o **Leadership, Service:** considering the group above the individual, putting teammates and community above the self
 - o **Respect:** teammates – officials - parents – teachers
 - o **Inclusive:** encourage all – not elitist above other students
 - o **Honour and optimism:** team – College – family
 - o **Aspire:** to do our best
 - o **Resilient, Persevering:** Determined not to give up in the face of adversity
 - o **Strong Commitment:** prepared to work and sacrifice in order to achieve predetermined goals
 - o **Glory:** To develop a culture that reflects our Christian worldview
- To provide a progressive pathway for young people from the grassroots level through to the representative options provided by the College.

ADVANCED PATHWAY PROGRAM FOR REPRESENTATIVE TEAMS

The 2020 programs are designed to identify talented students from Years 3 – 12 and will offer an extensive training program to be conducted before College or within College hours. The APP Football program is designed to complement the training programs that students are committed to after College hours. The format should ensure that all College students will be available to train with the College team.

It is important to understand that the Advanced Pathway Program is aimed at developing not only the player, but the team as a whole, so it is vital that all students wishing to represent the College in Soccer trial for a position in the Advanced Pathway Program.

Students undertaking the Advanced Pathway Program will benefit from the following resources:

- Highly Skilled & Qualified Coaches
- Specialist Coaches; with International Coaches Invited to conduct sessions
- Sports Nutrition
- Player Screening & Evaluation [PSE]
- Athletic Training, Testing and Tracking
- Injury Management Through Rehabilitation Education
- Recovery Sessions
- Sports Psychology - Game Preparation & Visualisation
- Tactical Understanding Through Game Analysis
- Self-Discipline & Leadership Training

To achieve the kind of program outlined above, we need to place a yearly charge for students taking part in this program. The overall cost is heavily subsidised but we recognise it may still cause some difficulty for parents, which will limit their ability to take part. If a parent should have a concern around cost I would encourage them to contact Mr Angelo Dinjar at the College on 9608 0033.

JUNIOR SCHOOL FOOTBALL PROGRAM 2020

ADVANCED PATHWAY PROGRAM FOR REPRESENTATIVE TEAMS

Junior School Programs – for Girls and Boys in Years 3 - 6

Students wishing to represent Thomas Hassall in Junior School football teams must be in the Advanced Football Program.

There will be 4 teams selected:

* APP Football Junior Primary Boys (Years 3 & 4)

* APP Football Junior Primary Girls (Years 3 & 4)

* APP Football Senior Primary Boys (Years 5 & 6)

* APP Football Senior Primary Girls (Years 5 & 6)

Students selected in the Advanced Pathway Program will be coached and trained under the guidance of our Football Director, Mr Sonny Makko. Teams will train weekly and play in the seasonal weekly competition:

Girls play in Summer IPSSO - Terms 1 and 4.

Boys play in Winter IPSSO - Terms 2 and 3

In addition to the IPSSO competition, the APP Football Senior Primary Boys and Girls team (Years 5 and 6) will also compete at the NASSA Soccer Gala Day, Wanderers Cup and other Gala Days, as well as having the opportunity to follow the CIS schools representative pathway.

Trials for Junior School Football Programs will occur early in Term One 2020. The program runs for 35 weeks, commencing in Week 3 of Term One. Once selected, students remain in the program for the entire year.

The Junior School Girls train once weekly and the cost of the program is **\$160**. The Junior School Boys train twice weekly and the cost of the program is **\$320**.

UNIFORM

All students in the APP Football program are required to purchase the APP training uniform, which consists of a training jersey, training shorts, socks and a wet weather jacket at an approximate cost of \$120. Students selected in the program will be given a link to purchase uniform online at the start of the program.
