We are very pleased to announce that a new House Shirts will be introduced for Senior School students from 2018.

The House Shirt will become an important part of the College uniform and will be worn by all secondary students at House events throughout the year, including the three major sports carnivals, the Inter House Soccer competition, the Inter House Spelling Bee, selected House Meetings and other designated supporters days in the College calendar.

The House shirt will be worn with the College Sports uniform and may be worn to and from the College on designated days. It will allow the students to be easily recognisable, to be unified in their representation of their house and to compete whilst emblazoned in their house colours. This is a formalisation of the exciting developments in House culture over recent years.
