“Was tentative to do it at first, but after the first day was absolutely in love with code camp. Insisted on wearing hat and t-shirt for the next 2 days. Post-camp, he has continued to build on his game and now shares it with his school friends and family.”

“My daughter loved her code camp and will be back for more... The experience was great, teachers were fantastic and the follow up emails with more activities has been unbelievable...”

**Katie, Queensland**

“The end result is far and away the best programming teaching environment I have ever seen. Seriously now my primary school child can program in JavaScript.”

**Jeffrey, Western Australia**
